OUR PICK OF THE BEST ON THE VEGAN SCENE

1 Hasslacher's pulverised organic panela (whole cane sugar) is made in Colombia and gives dishes a warm, smooth taste. You can use it in place of ordinary sugar for a fruity caramel flavour in cakes, desserts and even cocktails. **Hasslacher's Colombian Panela £3.95, [hasslachers.co.uk](http://hasslachers.co.uk)**

2 Natures Aid Ultimate Superfoods Powder is a concentrated blend of 31 of the world's best organic superfoods, with greens, fruits, berries, mushrooms, vegetables and bio-active enzymes. Use this organic, vegan powder in juices, shakes, smoothies or soups for a nutritional boost. **Natures Aid Ultimate Superfoods Powder £19.95, [naturesaid.co.uk](http://naturesaid.co.uk)**

3 These delicious, spherical treats are indulgent and come in three flavours; chocolate, ginger and salted maca caramel. Take it from us, these bites of crumbly biscuit are a perfect 3 o'clock pick me up and, made with only natural and simple ingredients, are guilt-free too! **Biccy Boms £1.79, [liviaskitchen.co.uk](http://liviaskitchen.co.uk)**

4 These crisps are hand-cooked in Cambridgeshire and burst with flavour. The potatoes, which are hand-picked from the family's farm, are fried with their skins on to retain essential nutrients and the crisps are free from gluten and MSG. Vegan flavours available include Truffle and Rosemary, Champers and Serrano Chilli. **Savoursmiths Truffle & Rosemary Potato Crisps £1.50, [savoursmiths.com](http://savoursmiths.com)**

5 The reCap fermentation starter kit includes all the things you need to start fermenting. Mason jar, one way valve, fermentation weight, 12 beginner recipes and Himalayan pink salt included. **reCap Fermentation Starter Kit £24.99, [2tech.co.uk](http://2tech.co.uk)**

EDITOR'S PICK

6 Hotel Chocolat has harnessed the power of cacao shells to create three thirst-quenching infusions bursting with vitamins. The drinks contain no preservatives or added sugar and they are all under 100 calories. Pick from Ginger, Raspberry & Cacao or Lemon & Cacao. **Teaolat £2.50, [hotelchocolat.com](http://hotelchocolat.com)**

7 This vegan, GF coconut milk powder is produced from freshly-squeezed coconut milk and is a great addition to smoothies, sauces, cereals and even in hot drinks including hot chocolate. Try mixing the powder with hot water to make a silky, smooth milk. **Organic Coconut Milk Powder £5.49, [thecoconutcompany.co](http://thecoconutcompany.co)**
